Hair and Make-up

Please have hair in a pony-tail on the crown of each girls head with their bow in. Make-up needs to be done as well. Remember, to apply apply grays and blues to the eyes. We will be providing a lipstick color so we have some consistency if you would like to purchase your own lipstick. We will have a team lipstick to re-apply before the girls go on stage. We will also be looking for a tattoo for the girls face! If you have any trouble doing your child's make-up, the coaches will have a team make-up kit. When team members meet up with the coaches, they will be taking them to warm-ups. Please make sure they have nothing to carry but themselves.
