Hair and Make-up

Please have hair in a pony-tail on the crown of each girls head with their bow in. Make-up needs to be done as well. Remember, to apply grays and blues to the eyes. No glitter! If you have any trouble doing your child's make-up, the coaches will have a team make-up kit. When team members meet up with the coaches, they will be taking them to warm-ups. Please make sure they have nothing to carry but themselves.

What to pack to compete?

- Uniform top and skirt
- Black bloomers
- White ankle socks
- Cheer shoes
- Hair supplies and Polka-dot bow
- Make-up
- Warm-up jacket.
- A positive attitude and smile!

Side Note

Please remember we are here to compete. Make sure your children get as much rest as possible and eat healthy. You can help keep their energy up by maintaining a positive attitude and encouraging them along the way. They are going to be great!

When you drop your child off for warm-ups, I will need your hotel room number in case I need to get a hold of you throughout the weekend. The coaches will also make sure to let you know which hotel room we are in so you can get in touch with us should you need to

Remember, stay flexible and keep a positive attitude and everything will run smoothly. Most importantly, have fun! :)
